

## Oktoberfest - North Florida Region-Style Returns!

Join us on a Sunday afternoon in late October for a gorgeous drive down the oak-tree canopied roads of Northeast Tallahassee. End it with a fun-filled social gathering inspired by the world's largest (and potentially the longest) festival known as **Oktoberfest**. And while we might technically be a little late (traditional Oktoberfests last 16 days running from late September to the first weekend in October), we just needed an excuse to enjoy what we hope is a cool Fall day with our Porsches and toasting good times with good friends. (*Do we really need an excuse for that?*)

And, as a bonus, we have arranged for an **Oktoberfest Beer Tasting** presentation with local beer sommelier **Dale Ward**. Dale is "the beer guy" for ABC Liquors in Tally, but he will be presenting on his own time due to his love and knowledge of all things beer! Audience participation is encouraged!!
